

WATER IMPROVER

PRESSURE DROP (IN PSI)

1\4" - 12"

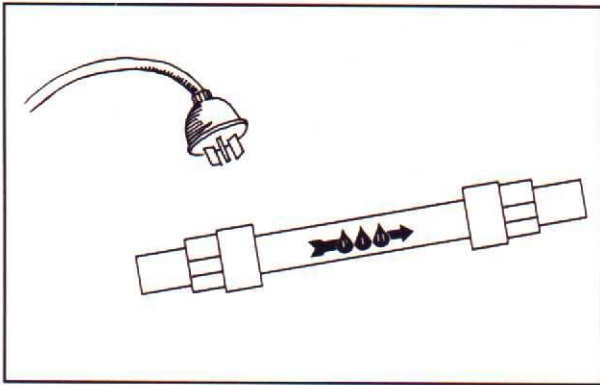

×
Nominal Lit/ Min &
Pressure Drop (In P.S.I.)

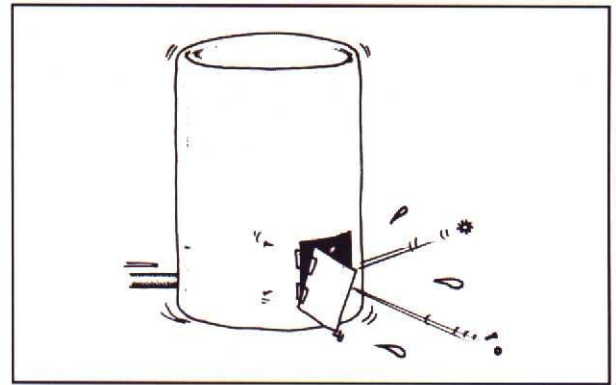

THRIFTY AND COST-EFFECTIVE

**YOU CAN EXPECT YEARS OF EFFICIENT
NO COST PERFORMANCE**

NO ELECTRICITY

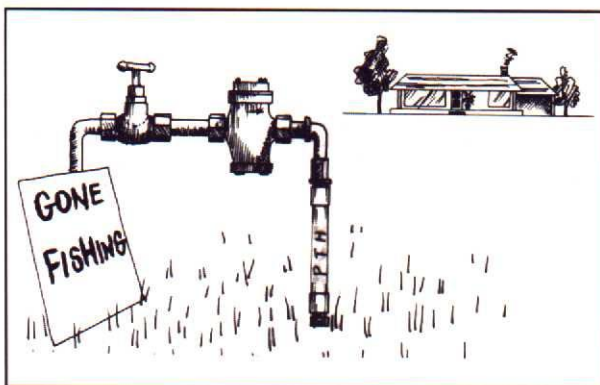

NO MOVING PARTS

NO CHEMICALS & SALT

NO MAINTENANCE

NO SERVICE

NO CARTRIDGES

P.T.H. devices eliminate the need for chemicals and salts, thus preventing environmental and underground water pollution and financial expenditures

A great advantage ... don't you agree?
